Technical information about this website's accessibility

Burton Salmon Parish Council is committed to making its website accessible, in accordance with the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018.

This website framework is compliant with the Web Content Accessibility Guidelines version 2.2 AA standard. Some content is partially compliant, due to the non-compliance listed below:

Non-accessible content

- some documents such as the Annual Governance Statement and Councillors' Register of Interests forms are not accessible as they have been scanned. [They have been published in this way because they are required to be published as a signed document]
- some documents may not be fully accessible, but are based on standard templates/documents provided, for example, by the district council or National Association of Local Councils.

Content that's not within the scope of the accessibility regulations

PDFs and other documents

Many of our older PDFs and Word documents don't meet accessibility standards – for example, they may not be structured so they're accessible to a screen reader.

The accessibility regulations [don't require us to fix PDFs or other documents published before 23 September 2018](#) if they're not essential to providing our services. For example, we don't plan to fix all minutes and agendas published before 23 September 2018

Any new PDFs or Word documents we publish will meet accessibility standards.

What we're doing to improve accessibility

We review our website for improvements in accessibility on a twice yearly basis and will make updates to the site when required.
